APPLICANT'S STATEMENT

1. It is agreed and understood that the company or his/her agent may investigate the applicant's background to ascertain any and all information of concern to applicant's record, where same is of record or not, and applicant releases the company and persons named herein from all liability for any damages on account of his/her furnishing such information.
2. The applicant agrees to provide additional information and complete examinations as required to complete his/her application.
3. It is agreed and understood that this application in no way obligates the company to employ the applicant.
4. It is agreed and understood that if employed, the applicant will be on a three month probationary period during which time he/she may be discharged without recourse.
5. As a condition of employment, I understand that I will be employed in a safety sensitive position. I further understand that I will be subject to drug and alcohol testing which may include pre-employment, random, post accident, reasonable suspicion, return to work and follow-up testing.
6. I understand a positive pre-employment test for controlled substances based on the Urinalysis Test will medically disqualify me from the operation of a commercial motor vehicle for this company
7. On March 30, 1999, an agreement between Canada and the U.S.A., to recognize each other's medical certification of commercial drivers came into effect. Canadian drivers do not have to possess a U.S. medical fitness certificate to drive a commercial vehicle in the U.S. A valid Canadian commercial driver's license is proof of medical compliance. The agreement identifies exceptions for Canadian drivers, as follows:
 - Drivers who do not meet the hearing requirements of Federal Motor Carrier safety regulations are not qualified to operate a commercial vehicle in the U.S.;
 - Drivers who have clinical diagnosis of epilepsy, even if the driver has been seizure free for more than ten (10) years, are not qualified to operate a commercial vehicle in the U.S.;
 - A driver who does not meet the medical provisions of the National Safety Code, but has been granted a waiver or has been granted grandfather rights, is not qualified to operate a commercial vehicle in the U.S.;

To the best of my knowledge, I have no medical condition that would disqualify me to drive a commercial motor vehicle in the U.S. I agree to immediately advise Arnold Bros. Transport Ltd., Safety Department, of any change in my medical status that would disqualify me from operating a commercial vehicle in the U.S.A.

This certifies that I have completed this application, and that all entries on it and information in it are true and complete to the best of my knowledge and I understand that any false or misleading information in this application will be sufficient cause for rejection of my application if the "Company" has not already qualified me as a driver, and for immediate disqualification if it has qualified me as a driver. I have read and understand the above conditions and agree to comply with them.
