

OUR MOST IMPORTANT CARGO RIDES UP FRONT
Owner Operators Pay Package – WESTERN CANADA

Fuel Rebate: Average fleet cap is \$0.46 - \$0.48 cents per litre with occasional regional differences. Truck must achieve 6.5 mpg in winter and 7mpg in summer to get full fuel rebate otherwise the rebate will be pro-rated. Fuel cap is calculated individually by State and Province. Where the unit travels and where the fuel is purchased will have some effect on the fuel rebate at cap.
